From The Principal

Welcome back to term 3 everyone! We have certainly hit the ground running.

Facilities: During the holidays, the builders completed the new fire service, the deck in front of the prep portables and made huge progress with the gym. At this stage, we are expecting the gym to be finished in October.

This week, 'Extendahand' added a new step under the new monkey bars and soon a banner will be installed to stop the sand from falling onto the footpath. This new playground has proved to be quite popular with all of the kids. During term 3, every child will make something for the sensory part of the garden. Watch this space!

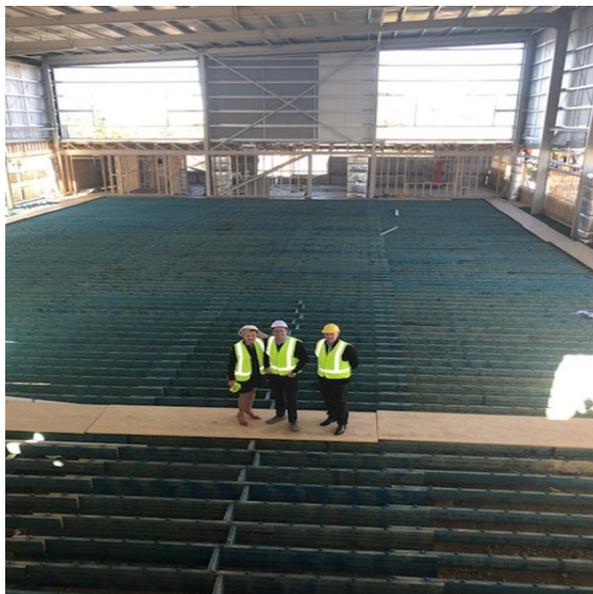

2020 Enrolments: Just a reminder to either enrol preps for 2020 or let me know if your family is leaving the school at any stage this year. Believe it or not, we have started to make plans for next year already!

Hats from August: The new guidelines from The Anti-Cancer Council include the wearing of hats from August until May. Please locate your child's school hat and have it ready for the start of August.

School Production: The 3-6 school production is almost over. I am always blown away to see how talented our kids are. They have worked so hard to learn lines, dance moves and actions. We are all very proud of their achievements. Thanks once again to the dedicated and hard-working staff behind the scenes, particularly Renee Rawlinson, Stephanie Daniel and Aleksis Payne. We are lucky to have you at Banyule ps.

Parent Survey Time: Every year, DET randomly selects families to complete the school survey. If you received survey information this week, thank you for your anticipated time in completing it. Your feedback is important to us.

Natalie and I have spent some time this week looking at our school data. We have a history of positive survey results (parent, staff and students) and high student achievement data. Our staff work extremely hard behind the scenes to ensure every child's learning needs are catered for in a positive learning environment. I am proud to say that we are one of the top performing primary schools in the state. Thank you all for your continued trust and support. It means a lot to us.

Our State Member of Parliament, Anthony Carbines visited us this week to discuss the gym progress and the next phase of potential capital funding to upgrade the rest of the school.

Pictured here with me is Anthony and David Symons, school council president, standing inside the gym. It certainly is very impressive!

Guitar Lessons with Jack Say

Want your child to learn in a stimulating, encouraging and friendly environment?

I strive to provide my students with a balance of their own musical interests as well as vital aural, kinesthetic and visual techniques, producing well-rounded players. With a particular interest in younger learners, I have 4 years teaching experience and currently study at the Melbourne Conservatorium of Music majoring in contemporary/Jazz guitar.

Please call or text for a trial lesson or further information on 0431336772.

Maths Challenges

Each fortnight there will be a maths challenge in the school newsletter, set for the different areas in the school- Prep-2, 3/4 and 5/6. All efforts will be valued and there will be one winner from each area every fortnight. Each winner will be awarded with a certificate and a small prize. Please place your entries into the 'Maths Challenges' box at the office. Make sure you write your name and class on your entry.

Happy problem solving!
Miss Johnston

Challenge 1 (Due Thursday the 1st August)

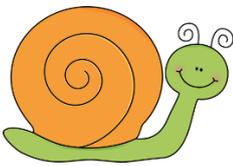

Prep-2 Challenge

You want to buy 6 balloons for your friend's birthday. They have red and blue balloons left at the balloon shop. Draw the different combinations of colours you could buy.

3/4 Challenge

A snail finds itself at the bottom of a deep well. The well is 1530 centimetres deep. Each day the snail struggles up 180 centimetres and then stops to rest. While it is resting the snail slides down 30 centimetres. How long before it reaches the top of the well?

5/6 Challenge

A class enters a competition to design a new flag. They are given a choice of five colours: blue, red, green, orange and yellow. The flag must have three bands of colour, but the colours can be in any order. How many different flags can the class design?
